

# MULTI-LAYER COATING, ALL AROUND PROTECTION.

A high-quality lens coating is made up of multiple layers. In Rodenstock Solitaire® ProtectPlus, these layers are perfectly matched to one another using a sophisticated plasma-assisted process. The interplay of the individual coating systems is improved so that all important qualities develop their optimum effects. The innovative PerformancePlus Factor from Rodenstock makes Solitaire® Protect Plus the high-tech coating with the best overall results of all.

We can also offer you the perfect complement to your Solitaire® Protect Plus lenses in the anti-fogging cloth, Rodenstock FogFree. This cloth will keep your lenses clear at all times.

Interested? Call in for a no-obligation consultation. As specialists for Rodenstock's lenses, we offer you personalised, comprehensive, expert advice.

Stop by any time – we look forward to seeing you.

# SPECIAL LENSES DESERVE SPECIAL PROTECTION.

Rodenstock has been at the forefront of technologically innovative lenses for more than 135 years. To make sure you enjoy their premium quality even longer, we offer the high-tech Solitaire® Protect Plus coating – for long-lasting brilliant vision.

## Durable, rugged and easy to look after.

The premium coating Solitaire® Protect Plus offers high durability and a long service life.

The comfort and vision of your Rodenstock lenses appears untouched even after cleaning more than 4,000 times.

The uniquely smooth surface means that the lenses remain cleaner for longer with just one wipe.

Free Lens Cleaning Cloth

Free for you:  
With your new pair of Solitaire® Protect Plus lenses you also receive a free Rodenstock cleaning cloth.  
One wipe is all you need.

A hard coating for high durability and scratch protection.

Grease and water roll off with no marks, thanks to the repellent coating...

...which is also anti-static, preventing dust and grime attraction.

Minimised light reflection for more safety when driving...

Without an anti-reflection coating

With Solitaire® Protect Plus

The premium anti-reflection coating eliminates irritating light reflections and helps improve your driving safety, particularly at night. Solitaire® Protect Plus will also clearly enhance your vision comfort at home or when sitting in front of the computer, combating eye fatigue.

... and for an attractive appearance.

Without an anti-reflection coating

With Solitaire® Protect Plus

The minimisation of reflections ensures extremely clear lenses allowing others to see your eyes to the best effect.
